PERMANENT REPRESENTATIVE OF GEORGIA TO THE UNITED NATIONS

ONE UNITED NATIONS PLAZA, 26TH FLOOR, NEW YORK, NY 10017, TEL: (212)759-1949 * FAX: (212)759-1832

Dear Ms. Chavchavadze,

I wholeheartedly support the wonderful work that American Friends of Georgia is doing to help children, those suffering from mental illnesses and others in need in Georgia. Given the current economic situation, there are a tremendous number of people in our country who need help, and we congratulate you on your dedication and effective programs.

As you know, our Mission is part of the Foreign Ministry of Georgia and is funded under the state budget. As a result, our resources are extremely limited, we simply do not have the resources to make charitable contributions. However, our staff in their personal capacities has directly contributed limited funds to some charity work in Georgia, and we continue to support our families and friends back home.

I would suggest that you solicit funds from public and private sector institutions in the United States that can better afford to make substantial contributions to your work.

We will of course be glad to disseminate information about American Friends of Georgia to individuals and organizations that we think might be interested in contributing (if you would like us to do this).

I am enclosing my personal check for \$100 as a symbolic gesture of support and wish you every success in your work.

Sincerely,

Peter Chkheidze
