Dear Ms. Chavchavadze,

I take the opportunity to express my highest consideration to you. Please accept our sincere appreciation for your interest towards your native country and assistance rendered to us, as well as for the appeal sent to the "American Friends of Georgia, inc." and getting familiar with American press materials.

Implementation of medical project by "American Friends of Georgia" as well as international assistance in this sphere in general is very topical since many problems of health care system exceeds the possibility of solution them by internal resources. For the significant part of Georgian population loss of the health is the major factor of shifting their family to the poverty.

The Ministry of Labour, Health and Social Affairs of Georgia is always ready to provide you with any necessary information for your charitable activity.

I would like to express once again my cordial thanks and best wishes to you and all participants for organizing such an important assistance. I hope "American Friends of Georgia inc." will go on in future with their activity to the benefit of our country.

Sincerely yours,

Amiran Gamkrelidze M.D., Ph.D., Prof.
